Submission: Objection

Comments: In relation to the revised plans of 3 November 2022 we make the following comments:

The revised plans do not show a retaining wall between 19 Shawfield and 21 Shawfield.

The revised plans do not show the distance between the boarder between 19/21 Shawfield and the side wall of the proposed extension, nor do they show the gap between any retaining wall and the side wall of the proposed extension.

The revised plans show a side elevation from the side of 23 Shawfield, but do not show any side elevation from the side of 19 Shawfield showing the changing elevations of the ground level due to the raised lawn area in the land of 19 Shawfield.

It is therefore submitted that further clarity is required in the submitted plans.
