Submission: Objection

Comments: I'm concerned about the pressure these houses will put on the infrastructure of a town already full to capacity. There are not enough services to meet current need dentists, doctors and schools. The danger the extra traffic this will impose on our children getting to school. I already have to face huge traffic jams every morning on my commute. My children attend Simmondley School. The A57 is already grid locked in a morning. People use the back road up high lane which cannot accommodate the traffic.
