Subject: Planning application no HPK/2022/0456

Categories:

I write to lodge my objection to the above application on the following,

Loss of green space.

Loss of habitat / wild life.

Over development of housing in the Simmondley area .

No provision for already overloaded services in the area.

Schools are already at capacity in the Glossop area.

Proposed junction too close to HGV access to nearby factories on Dinting Lane.

Main road in the area congested with mini roundabouts, busy road junctions, crossings and main road parking all along the A57 for the primary school.

More traffic congestion getting in and out of Glossop.

Mr F Barton
27, Simmondley Lane
