Comments: I think the proposal of 100 new homes at the Adderley Place site at Simmondley is simply ludicrous. There is already massive pressure on our infrastructure and public services with major congestion on our roads. Traffic is consistently backed up on both sides of the road, coming into Glossop and going out, including at the junction for Glossop Tesco where cars trying to turn are stuck in the centre of the road with nowhere to go because of queuing cars on the main road. This is already expected to exacerbate problems with the forthcoming opening of two fast food outlets at the Wrens Nest Retail Park.
