Comments: I most strongly oppose this application.

The idea of building yet another 100 new homes in the Glossop area is utterly outrageous.

Clearly, no-one from Wain homes or HP planning department has ever had the misfortune to endure the A57 carpark in and out of Glossop.

So, with a possibility of an extra 200 vehicles to join in this farce , is it not time to majorly invest in our well deserved infrastructure for the people of Glossop and surrounding areas first, before bowing down to these big developers with open blank cheque books!!

As for the entrance opposite a Primary School??? An accident waiting to happen.

Lets move on to building onto what is a beautiful open space. Take a walk around there yourselves to witness the wildlife, flora and fauna. Please don't rob us of one of the few remaining pieces of green-space we have left.
