Submission: Objection

Comments: When will planners acknowledge that you just cannot keep building new houses without improving the necessary services to support the families moving into these properties?.

To build on this land and put access to it via an already congested A57 is in my opinion utterly impractical not to mention the health impact on the children of Dinting School who already have to contend with traffic fumes on a daily basis..

Glossop needs it green spaces so lets see common sense prevail and refuse this permission.
