Submission: Objection

Comments: I live in the area of this proposed planning application and have done for many years so I know the area well. I object to this ludicrous idea of adding 100 dwellings in the area proposed because doesn't anyone listen to the atrocious traffic problem in Glossop already!!! You only have to tell people where you live and they comment on the bad traffic conditions. 100 extra houses, at least 200 extra cars per day!!

Dinting school traffic early morning and afternoon causes havoc because they have nowhere safer to park, children would be more at risk. Any access made onto Dinting Vale will cause even more havoc at all times of the day.

Then, where are all the children going to go to school from the proposed plan, schools in Glossop are already over subscribed. Then we have the added problem of oversubscribed doctors etc., 4 people per average family ,400 extra patients, appointments will be really stretched. I can't believe I am having to write this objection plea when it should have never even been proposed.
