Submission: Objection
Comments: I have big concerns about this application.

Glossop/Hadfield is losing its green areas we are in danger of losing the rural village feel that makes Hadfield what it is. I feel the area is over-subscribed already for the traffic this will cause.

I live just round the corner and potentially 100 new homes means at least 100 extra cars we do not have the infrastructure.

There is also the issue of schools gps/dental especially with the developments already underway in gamesley and on the site of

the old glossopdale school it is ridiculous to consider another development without seeing the impact of those.
