Comments: I am utterly outraged that this proposal could go ahead.

I live just where the main entrance of this new housing estate would start.

The parking on this road is already horrendous.

I have a child which I sometimes have to walk a great distance to get her in the house because of all the people parking on the road at school hours. More housing in this area means more children going to the school and making it even worse for people like I to park outside my home. As you know it is a busy road and I cannot leave my two-year-old child while I am carrying bags to and from the car as I said sometimes I can't park anywhere near my house. More houses are gonna cause more trouble. Absolutely atrocious
