Submission: Objection

Comments: Inappropriate location for an adults only encampment so close to a school .

Also during summer on 2021 there were numerous festival like illegal gatherings on this land resulting in extreme noise pollution for local residents .

I have concerns about the impact on local farm land and also

Local wildlife .

Chapel already has a camp site on station road .

The road is wholly unsuited to taking more traffic

The land has and always has had issues with drainage

Possibly contaminated of rural water source (that then continues through my land

Owner has continued to operate shepherds huts illegally throughout consultation process showing a total disregard for authority . One can only assume they should this individual receive pp this lack of regard for rules and regs will continue .

There are already facilities for this type of accommodation at owlgreave farm (well run and properly overseen)
