Submission: Objection

Comments: A57 which will be access to proposed development of Wain Homes is going to create bottle neck. There is a primary school on this road. Many children reach this school via cars. As access road for Wain Homes is going to be off A57 and close to the school. It will have substantial affect on the flow of traffic in both directions, for vehicles going in and out of Glossop. This is going to cause far more traffic and misery on A57 which is already under huge strain. People will need extra time for this new proposed junction, all due to a feeder road, required for the proposed new 100 Wain Homes.
