Enquiry details

I wish to object to this proposed development. My 3 main objections are:-

There is no social housing planned which goes against High Peak's local plan.

The exit/entry proposed opposite Dinting school is extremely dangerous regarding the already overcrowded

road it leads onto (A57) and the number of parked cars waiting to pick up children from Dinting School.

It also increases the probability of accidents to young children exiting the school.

Local schools are full, medical facilities are full. Glossop School has had to have another section built to

accommodate all the pupils who wish to attend there. Another 100 houses will further exacerbate this situation.

Once the new proposed by pass is built there will be even more traffic on the A57 to and from Glossop.

There are many other aspects I feel aren't being taken into account but these are my main concerns.

Terry Walsh.
