

Floor plan of the first floor of a house. The plan shows a central landing with a staircase leading up to a void over the hall. There are four bedrooms (BED 1, BED 2, BED 3, BED 4) and four bathrooms (BATH 1, BATH 2, BATH 3, BATH 4). A dressing room is located near BATH 1. The plan also shows a large window on the left side and a small window on the right side.

The floor plan for the first floor (GND) includes the following rooms and features:

- Dining:** A large room with a rectangular table and chairs.
- Kitchen:** Adjacent to the dining area, featuring a sink and stove.
- Utility:** A small room next to the kitchen.
- Boot Room:** A room located between the utility and the garage.
- Garage:** An attached garage with a car icon and the label "GARAGE".
- Conservatory:** A room with a large glass front, located to the left of the sitting area.
- Sitting:** A large open-plan living area.
- Hall:** A central hallway with a staircase leading up and down.
- Study / TV Room:** A room with a desk and chair, located near the hall.
- Bath 5:** A bathroom located near the study/TV room.
- Porch:** An entrance porch leading into the hall.
- Bins:** A designated area for bins near the porch.

This architectural drawing shows a two-story house with a gabled roof. The house features a front porch with a gabled roof supported by columns. The drawing includes numbered callouts 1 through 8, which correspond to the list of items provided in the adjacent table. The items are: 1. Front door, 2. Windows, 3. Porch roof, 4. Roof, 5. Porch floor, 6. Porch railing, 7. Porch columns, and 8. Chimney.

This architectural elevation drawing shows a house with a complex roofline and multiple window types. The drawing includes the following numbered callouts:

- 1:** Points to the main wall surface on the left and right sides.
- 2:** Points to the front door.
- 3:** Points to the window sills of the windows on the left and right.
- 4:** Points to the horizontal siding on the left extension.
- 5:** Points to the large glass doors on the right extension.
- 6:** Points to the roofline on the left and right slopes.
- 7:** Points to the window frames of the central windows.
- 8:** Points to the chimney on the left roof and the roofline on the right slope.

Architectural elevation drawing of a house. The drawing includes numbered callouts 1 through 9 pointing to specific features: 1 points to the main roof, 2 points to the front door, 3 points to the side windows, 4 points to the side wall, 5 points to the side wall, 6 points to the side wall, 7 points to the side wall, 8 points to the chimney, and 9 points to the front door. On the right side, there are three level markers: 'Ridge Level +9250mm', 'Eaves Level +5350mm', and 'First Floor FFL +3150mm'. At the bottom right, there is a 'Ground Floor FFL +150mm' marker.

This architectural drawing shows the front elevation of a house with a gabled roof and a chimney. The facade includes a central entrance with a small porch, a large window to the left, and a smaller window to the right. The drawing is annotated with numbered callouts (1-8) that correspond to the components listed in the legend.

[illegible]
