Comments: As a grandparent of a PPRM baby loss, finding Ciara and her voluntary work through Little Heart Beats foundation is in my opinion, invaluable to mums across the UK and the globe, in providing professional support via her contacts, advocacy, advice and care/support packs.

To continue to do this effectively Ciara needs to ensure her home space for her family is sufficient and comfortable, and to also have a separate office and storage space (for the provision of the care pack products) to be able to operate the LHB Foundation efficiently and effectively, and I therefore fully support the proposed planning application HPK/2022/0439 for a building extension to Ciara's home address.
