Submission: Objection

Comments: I object to more houses being built in Glossop. The road system or infrastructure is in dire need of attention, it's old and decaying. As a resident of Dinting Vale we are already sick of the constant queuing traffic, noise pollution and fumes.

There has been no consideration about local residents what so ever.

There isn't enough school places, dentists, GP's.

This is outside a primary school which is outrageous to even consider a building plot coming onto the A57 Dinting Vale.

Why not develop the river with cycle path for current residents to get into Glossop??
