Chapel-en-le-Frith

The land and lane are private and are subject to residents and agricultural use only. There has already been planning turned down on this land several times . The lane is also very narrow and large agricultural machinery use it so additional cars and pedestrians will pose a safety issue . And also there where several incidents with dogs in the adjacent field;s chasing sheep when the owners of said property ran the illegal glamping last year .

The owners seem to be going out of there way to make a mess of the field now with the horses that a present at the moment and this also is not agricultural use

So I 100% object to this planning application
