Submission: Objection

Comments: The traffic is a nightmare at Dinting, the plans for the road coming out opposite the school would increase the traffic and cause major disruption to an already congested road.

In regards to the land - this area is teeming with wildlife, there a a number a deer living in these woods and many walkers enjoy using the space. More and more land is being eaten up by housing in Glossop with no extra facilities being invested in. I and many others are passionately against this development.
