Submission: Objection

Comments: As a Glossop resident who commutes to work via Dinting Vale (like many other residents) and as a parent of a child at Dinting primary school, opposite the proposed development, I strongly object to this planning application and proposal. The traffic through this stretch is already extremely congested and at school drop off and pick up times, and at school events, the additional parking opposite and around the school already makes things even more congested and hazardous to pedestrians and road users. This development will only add to the traffic chaos with an additional junction, more cars compounding the already horrendous traffic problems on that stretch of road.
