Submission: Objection

Comments: I object to the proposal for the following reasons:

1. the site is too close to the primary school at Dinting where there is already considerable build up of traffic when school starts and finishes. More cars accessing the proposed development from this area seems dangerous, especially to school children.
2. similarly the potential for danger to attendees of the church at busy times such as Friday afternoons and Sundays is of concern
3. another encroachment on the area's countryside and wildlife is most unwelcome
