Submission: Objection

Comments: I am against any further houses being built in Glossop, not only will be losing

another Green Belt Area but there is not enough capacity of the fundamental requirements.

Examples are the lack of High Schools to begin with, at present there are children being allocated Schools in New Mills which causes problems in Winter

There are also insufficient doctors, NHS dentists and hardly any amenities for children.

Above all else is the traffic that consumes the High Street. To get out of Glossop in a morning is a

nightmare, putting a further 100 houses at Dinting is going to cause total chaos.
