Subject: Planning Adderley/Dinting vale

Hi Robert

I've recently emailed my objection comments to you regarding the planning at Dinting/Adderley. I would like to show you these photos taken by my neighbours to explain how concerned I am with the possibility of this development going ahead and adding a new road facing the school, as you can see in the photos how close the car is to the neighbours front door, my fears are not only for my son who has special needs but also the children attending the primary school at Dinting vale. These are just two of the incidents that have occurred in the past few years on Dinting vale road, there have been several more incidents including a car which ended up on its roof. These incidents make me nervous even walking outside my front door with my son, with the possibility of added cars to this road is very worrying.
Thank you, kind regards,

Tracey.
