Submission: Objection

Comments: I object to the planning application no. HPK/2022/0484 on the grounds that the road leading to the proposed site is a private road and access would cause congestion. As there is a lot of new builds already in that area it would make Long Lane extremely busy. I believe it will spoil the countryside and generate unwanted noise from campers holding parties etc. It will no doubt lead to houses eventually being built which is a major concern in the community.
