Submission: Objection

Comments: I would like to object to this planning application. As numerous other people have mentioned, as a parent with young children this is a major concern that it would be an adults only site in such close proximity to the school and nursery. There have been several applications submitted previously for this same site which have ranged from a large scale housing development to a larger glamping site, although this latest proposal is a smaller glamping site, I cannot help but wonder if a change of use application would be submitted to turn it into housing. Traffic/parking is already a problem and this application seems that it would make this worse, there are several other campsites/accommodation offerings in the area.
