Comments: I'm a registered childminder and have been for 30 years living on Simmondley Lane. This is

An area where I regularly take the children to see the see wildlife knowledge and understanding of the world, education is important in real reality. Also where do the animal live that have this area as their home, it's so sad to see it being destroyed.

Another concern is schooling, doctors, traffic, we need to breath in the fresh air not more pollution.

Please please think very hard what your doing to our country side.
