Submission: Objection

Comments: 3 Downlee Close, Chapel-en-le-Frith, Chapel-en-le-Frith

Chapel-en-le-Frith

This application is yet one more iteration on of attempted planning application for this site. The application may change slightl each time, but the objections do not and are still valid:

1. The current provision of camping/glamping sites is quite adequate. The Applicant is not a resident of Chapel-en-le-Frith and should not be allowed to benefit from additional forms of income at then expense of damage caused to the local area.
2. There will be a large increase in traffic which will be detrimental to the roadway. It is not realistic to suppose that campers will use public transport to and from the site.
3. Noise and light pollution will be an issue as was proved in 2021.
4. The site is in area of outstanding natural beauty and will in no way contribute to the enhancement of this. The development proposed in the application far exceeds demand and leads to worries about the Applicant's ultimate intentions..
