Submission: Objection

Comments: There is insufficient access to the site as Bank Hall Road is a private not public road.

The land overlooks a school and nursery - it is inappropriate for this land to be used for glamping pods. As a parent and user of these facilities I am concerned about the safeguarding issues which could result from the proposal.

There is a risk that a glamping site will result in noise and disturbance which could cause disruption for the school, nursery and adjacent houses. Furthermore there are already adequate camping facilities in the area so there is no need for further development of this nature.
