Mr P. C Alsop

18 Rowton Grange Rd

Chapel-en-le-frith

High Peak SK23 0LD

ref planning application, land adjacent to 25 Bings Rd, Whaley Bridge.

Parking provision.

There is a gravel area to park on, but this has proved unsatisfactory. The area is intended to provide parking and a turning area for one vehicle

There is a gravel track from the public road to gain access to the site. There is a necessity to install a concrete pad for a vehicle to access and park. This pad would be 40 square metres

The gravel/ paved area track would be renewed by two concrete strips 900mm wide
