Submission: Objection

Comments: I wish to object to the above planning application primarily on the grounds of increased traffic flow near a major high school, residential area and access to this planned glamping site is down a narrow lane. I feel safety of residents, locals and school children will be at risk of harm or injury.

Equally campsites bring a certain level of noise, potentially anti social behaviour and large crowds.

I can see the benefits of local employment but on balance I feel Chapel does not need a glamping site due to the aforementioned concerns.
