Submission: Neither

Comments: I object as it will be a eyesore on the natural surroundings and will have a visual impact from sett valley trail, and surrounding areas. There is no real need for a track and menage as there is plenty of horse riding facilities in the area. Swallowhouse Lane is busy enough with the local primary school and any additional traffic would be a safety issue. the menage would need a lot of excavation to be dug out as the site requested is on a bank with no drainage suggested.
