PRODUCT DESCRIPTION

Samsung LED Module Light Source Injection SMD 2835 3 Lamp Warm White 12V Waterproof IP68

Benefits of LED Module Lights

1. Samsung LED Module

Our Samsung LED module series powered by Samsung brand LEDs, which helps for durable long life span.

2. IP68 Waterproof

With ultrasonic molding process, Durable ABS filled in samsung led modules, the waterproof rating up to IP68, can be used underwater.

3. 50pcs per Chain

Samsung led light strip module string comprising 50pcs samsung 3 led module connected by flexible cables.

4. High Brightness LED Module

We make 0.72w, 1.2w, 1.8w samsung module light as standard, high brightness LED module always has high brightness channel letter material and backlit led sign board.

LED Module Lights Manufacturer

We focus on premium modules led manufacturing in China over 10 years, served 106 countries up to now.

As a professional one stop solutions provider of led backlit signage, Adled also provide LED Power supply for our customers.

Samsung led light module is a good light source for indoor & outdoor led signage.

What is LED Module?

LED Module Lights is simply encapsulate diodes together, and make it waterproof, like injection or ultrasonic pr solution for led channel letter sign or light boxes.

Various led modules for sale available.

Different Series: Samsung LED module, Osram LED module, Mini LED module, Bright LED module, High power module, Edge lit LED module, High Efficiency LED Module.

Different Brand chips: Philips, Samsung, Osram, Sanan

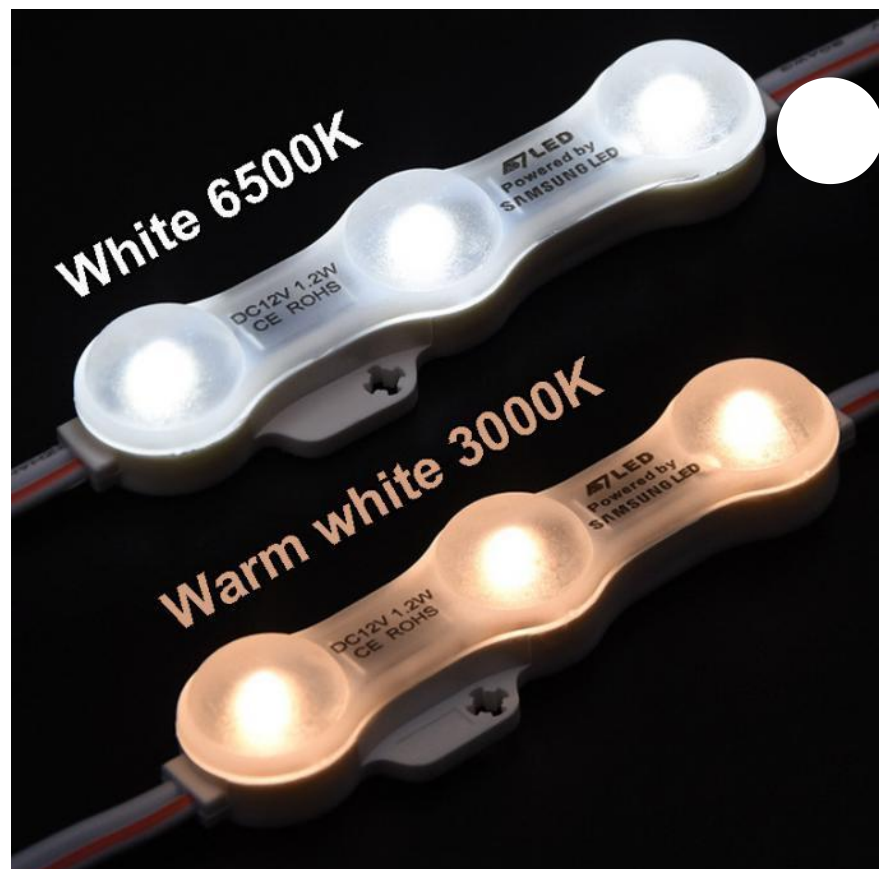

Different LEDs: 1led, 2leds, 3leds, 4leds

Different Voltage: 12v LED module, 24v LED module, AC LED module

Different colors: Warm white, Natural White, White, Cool White, Red, Green, Blue, Yellow, RGB

LED Module Lights Specification:

Model	ADM-6815-2835-3
LED type	Samsung LED 2835 SMD
LED Quantity	3LEDs
Operating voltage	DC12V
Power	1.2W
Colour temperature	3000K/4000K/6500K
IP rating	IP68
Beam angle	170°
Warranty	5 Years
Driven Mode	Constant Voltage
Certifications	UL/CE/RoHS
Size	68*15*9.5mm
Dimmable	0-100% dimmable by LED module light dimmer

LED Module Lights Application:

- Lightbox Lighting
- 3D Letters Lighting
- Archway Lighting
- Backlighting Lighting
- Cove Lighting
- Curved Displays Lighting
- Flat Shapes Lighting
- Halo Effects Signage Lighting
- Perimeter Lighting
- Retail Display Lighting
- Toe Kicks Lighting

LED Module Lights FAQ

- Q:** Can I get free samples of LED module lights?
Yes, usually we can provide free samples for you to check quality. You can mix all LED modules series.
- Q:** What is delivery time for LED light modules?
Samsung LED module lights is our top selling series, 3days for samples, 15days for 50000pc : 3000
- Q:** Is Samsung LED module price expensive?
We are LED module factory, Samsung LED module series is relatively cheap.
- Q:** Do you provide ODM ?
Yes, our strong R&D team successfully develop and ODM smd LED module over 30 types.
