#### SUMMARY AND CLOSING COMMENTS

This pre-application response considers the principle of converting and extending the Northern Glass Works Ltd Grade II Listed Building, Manor Park Road, Glossop to 3no. residential units. The advice represents my professional opinion based on all plans and documentation submitted with the enquiry including Heritage Assessment prepared by Adapt Heritage (dated May 2022), and detailed comments received from Mel Morris Conservation, who has acted

on behalf of the Local Planning Authority on matter of heritage and conservation.

In summary, there are significant concerns with regards to the principle of development in light of the view from Mel Morris Conservation that aspects of the conversion would result in less than substantial harm to the historic architectural interest and fabric of the Listed Building, in the absence of any substantive public benefits that outweigh such harm.

[Above is closing extract of report and recommendations in full report have been acted upon by the applicant]

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
