Submission: Objection

Comments: There is already too much traffic in Glossop without adding possibly 200 plus more cars. Air quality is already poor along Dinting Road, without adding more journeys to the day. Glossop does not have enough dentist, GP surgery's or NHS facilities to cater for more residents on this planned estate. Why should the existing residents go Glossop lose more green space, lots have gone already! There is not enough School places in Glossop, even if the council take a bribe from Wain Homes. The proposed entry and exit road to the estate will add even more traffic congestion to Dinting Vale. The construction traffic coming up Simmondley Lane during construction will be dangerous on an already busy and tight road. THIS APPLICATION SHOULD BE REFUSED IN ALL FORMS.
