BUXTON, When we moved in here there was not very many matches at the ground,since it has turned into an academy there is something on a lot of the time.No extra parking as been allotted by the ground for the supporters etc. I am getting very upset that the traffic that park on Woodside,double park,park on corners where the pavements are dropped that is illegal, give abuse when asked to move as they parallel park and when we mention that ambulances etc could not get down,they ask if we have ordered one.Building a gym will mean more traffic not less.It is dangerous to try to get home from the top of Holker road all the way round to Woodside with the cars parked, especially with a blind corner.There is going to be a crash,a road rage incident or worse.The parking needs addressing as it's impacting on our quality of life and so I object against this planning permission.
