Submission: Objection

Comments: I would like to raise my serious concerns about this planning application. Old Hall Square is a conservation area, where all additions to property and green areas have to be seriously considered and are often rejected. The addition of a telecommunications mast will have a significantly negative impact on the beautiful aesthetic of this conservation area.

Additionally the mast will negatively impact the direct view from our bedroom window

I strenuously object to the addition of this eyesore in our beautiful area.
