Submission: Objection

Comments: I am awaiting details of hours of opening for this pizza place through councillor and MP., as this is one of my main concerns. The car park for the property backs onto our row of homes. If the pizza place is open late, this means cars will be entering the car park at late times, and this will have an effect on our privacy including noise.

My second objection, of which I am awaiting the result of an enquiry as to who actually owns the said car park. This will make a difference to see if the owner will be responsible for the clearing of rubbish, pizza boxes etc which will undoubtedly be strewn around. My husband and other neighbours should not be responsible for this in order to keep our area in a tidy state. This has already been proved by the rubbish which is apparent from sales at the 1-stop shop. The side verge is usually filled with scratch cards, bottle of beer, cartons etc. The council do not clear it and neither do the 1-stop shop. There will be youngsters who will buy pizza, sit on the wall outside, eat, and then throw the box anywhere. There will also be cars who will come on the car park, buy pizza, sit in their car to eat it, along with the radio playing, and then throw the rubbish out of the window. This has happened previous when they have bought takeaways elsewhere. So, whoever owns the car park, should be responsible for clearing up daily rubbish, and not be left to neighbours. I hope you will look at these problems when making your decisions, or that you can give guarantees that our lives are not going to be rubbish collectors.

I am surprised that the business has not chosen the local shop area on Gamesley"Thank to open this business. There are available shop/s
