Submission: Objection

Comments: I object to this on the grounds of the access on a single track road right past a junior school and the infringement on the green belt the view of a 160m menage on the ground would be an eyesore and unnecessary as there is ample horse trekking facilities in hayfield and it is rich with bridleways.

Not once has the the environment been mentioned and the impact on the local wildlife. The ground he has already got is more than adequate for his needs and for someone to build a 160m long menage and to dig the ground out it is for ALOT of horses hence an increase in traffic down swallow House Lane.
