APPLICATION: HPK/2022/0566

LOCATION: Little Padfield Farm, Little Padfield, Glossop.

PROPOSAL: Proposed replacement of 1no. window to rear elevation, removal of existing and formation of new fireplace to Lounge, demolition of existing boundary wall to south of site at rear and replacement with new boundary wall and gate.

Dear Declan.

Thank you for consulting on this application. The proposed development area encompasses the Grade II Listed Building of Little Padfield Farm, (MDR591) A 17th century farmhouse, two storeys in coursed stone with stone slate roof with later additions into the 20th century.

I have studied the proposals and I do not foresee there to be any below ground archaeological impacts caused by the works and so have no objection.

I hope this is helpful

Best regards

Reuben
