Submission: Objection

Comments: I object to this due to the fact that this structure will look completely out of keeping with the beautiful surroundings. It is a conservation area surrounded by years and years of history, valued and treasured by locals who have grown up here and those who have relocated to Hadfield for its serenity, to escape towns and cities that house this kind of structure. The plan to erect such a monstrosity on such a small area of land, to cover only 50m, seems unjustifiable.
