Submission: Objection

Comments: I strongly object to the building of this mast in the location of old hall cross near Warhurst fold.

This is one of the oldest and historically interesting parts of Hadfield , is part of a conservation area, has some of the oldest buildings in Hadfield, it has benches for people to sit and admire the small square and the mast is not in keeping with the historic buildings and area, it will be a total eyesore, completely incongruous to the area.
