Submission: Support

Comments: I am the owner of the tree and woodland which is referred to in this application. I am also a neighbour of the applicant. I support the application to build as shown. In relation to the tree survey submitted, the sycamore tree has already been trimmed as far as necessary in accordance with my approved application to HPBC. This tree in my opinion is not near enough the proposed building extension to need any further work on it. If this is not accepted and the tree needs further work, as tree owner I insist that it is carried out by Shane Smith of SAPS Tree Services at the applicants expense.
