Dear Planning

Site address	Byth El Sharmar, Dale Lane, Fairfield, Buxton, Derbyshire, SK17 7LA	Proposal	Discharge of conditions 3,4,5,10,11,12 & 15 relating to HPK/2019/0517

Advice to LPA

The above application for discharge of conditions from HPK/2019/0517 has been forwarded to Environmental Health for consideration and I have the following comments to make:
From an Environmental Health point of view, the relevant condition is Con5

Condition 5 – Noise

The noise assessment submitted in support of the Application may be accepted.

- Peak Acoustics, “Noise Impact Assessment” (ref: TB1910224NR rev0.0), dated 10 November 2022

The report satisfies condition 5 of the approval and it is recommended that this may be discharged.
