Dear Sir/Madam,

Ref. No: PP-11420649

Eastbourne – Noise Impact Statement

Dear Sir/Madam,

At our New Tesco Express- 83-85 Terminus Rd, Eastbourne BN21 3NJ, UK, to support the operations we are proposing the below:

- 1) Proposal to install new aluminium automatic telescopic sliding door to be finished in Anthracite RAL 7016
- 2) New Shopfront to be finished in Anthracite RAL 7016.

The proposal is for the new Shopfront and there will be no noise emission. therefore, it would not be impacting the existing noise levels likely to contribute on any Noise risk factors. And hence survey has not been conducted for Noise impact assessment here.

Kind Regards

Andy Horwood
