Submission: Support

Comments: I support the building of the nets at the club. Our club has expanded greatly over the last few years and our current facilities need to reflect that. We now have three senior teams as well as a flourishing junior section covering all age ranges from under 11's to under 19's for both boys and girls. We also have a ladies team who up to now have trained in the nearby park. We have worked hard to raise the revenue to enable us to improve our facilities and have involved the local community.
