Comments: Old Glossop cricket club is an extremely valuable asset to the local community and plays an enormous part in the physical and mental well being of all involved whether playing, helping run or supporting. The club has grown significantly in the last few years, it now has 3 senior men's teams, a ladies team and junior teams at all age groups. This proposal will hugely benefit not only those already involved but it will enable it to be opened up to the wider community and will allow others to use the facilities as well.
