Submission: Objection

Comments: Notwithstanding that this application was denied last time, I am baffled it has apparently been granted prior to the end of its public consultation date.

<https://www.buxtonadvertiser.co.uk/business/high-peak-pub-shutting-after-developers-win-appeal-to-build-petrol-station-and-drive-thru-4031415>

Also - I can see nothing in the new application that deals with any prior raised concerns on diversion of business from chapel town centre, removal of a building in keeping with landscape and replacement with ones very much not so, increased litter, and substantially increased traffic on an already dangerous junction.
