Submission: Objection

Comments: I object to a 24 hour business of any nature in such close locality to my home.

In particular, the idea of a 24 hour petrol station/coffee shop would be awful for us. The noise/light pollution, not to mention more footfall/noise/litter surrounding a quiet residential neighbourhood. There is already a petrol station in Chapel which serves the town very adequately, with multiple cafes also. This proposal will take business away from a lovely small town community putting local businesses at risk of closure. Esso and Costa, as businesses are already more than profitable and, in my opinion, have no place or need for in our small Town.

The Fickle Mermaid has been a nice place for families to use and is a building which looks kind to the landscape and fits in to our community. It should not be demolished.
