Comments: Demolishing the Fickle Mermaid will relieve the community of a family friendly public house and eatery. It's the only place of its kind to have an outdoor play area, making it a great place for families.

The area already has petrol filling stations in Buxton, Chapel and Whaley Bridge, there no need for another.

In these environmentally friendly times, HPBC council are sending out the wrong message in supporting another petrol station. The 24-hour operation of the proposal will increase traffic and noise at unsociable hours.

This is an unnecessary development that would not bring any added value to Chapel and it's residents and I strongly object to proposed development.

I hope the planning department stands by the original decision and reject this application.
