Comments: We live at No 1 Shalcross road next door to number 3. We support the planning application for the balcony at No 3 Shalcross road. It takes up a similar footprint to the original balcony and as such it was something we had taken into account when we bought this property this last autumn. We appreciate that the balcony now includes frosted glass on our side as this contributes to our privacy. Further we appreciate that the owners of No 3 Shalcross have previously taken our opinions of how development of their property might affect us into account
