Submission: Support

Comments: This successful community cricket and sporting club goes from strength to strength in providing our village with activities for young and old and yet there is no gender appropriate separation of facilities for the players.

My voluntary role is with our local football club as welfare officer for children and young people. I make my supportive comments with this role in mind.

My request is that the planner support the application in order to complete the circle of ensuring appropriate facilities for the current activities and enhance the opportunities for this club to continue in service provision to our community.
