Comments: I Clive directly across from where they have put the gates to the plot.

This means that all traffic to and from the site has to come up a cul-de-sac to deliver machinery and suchlike.
Blocking the road for half an hour which meant that cars couldn't get to and from their homes.

The original plans were passed for 6 houses only. Mellor Homes has now applied for 2 more on a plot that's not big enough. One of them will be where the public open space is supposed to be. Why can't people be satisfied with the original plan and stop being free.

The council allowed them to take down trees with TPO's on with the understanding that they replaced them!
Where on earth are they going to put a minimum of 10 new trees.
